SANITARY DEPARTMENT.

PROCEEDINGS OF THE CENTRAL SANITARY BOARD IN MYSORE.

READ—

Letter No. R. 2396—L. R. 511-16-6, dated the 1st September 1917, from the Offg. Secretary to Government, Revenue Department, forwarding for the opinion of the Board a scheme for opening out a new extension in the Kolar town at an estimated cost of Rs. 1,80,000:

Resolution No. 14, *dated* 23*rd January* 1918.

Resolved that although the site proposed, which is a mile and a half from the town is well suited for the purposes of an extension from a sanitary point of view, the needs of the Kolar town would best be served by opening out a smaller extension; but in close proximity to the town and the Railway Station, and by simultaneously improving the old town.

2. *Resolved* also that in the case of extensions to be hereafter formed, the Board recommend, for the acceptance of Government, the principle of the active assistance by Government in the matter of abolition of "slums", by actually providing an adequate number of sanitary houses in the extension and by making them available for occupation by the poor at reasonable rates of rent; the houses so built remaining the permanent property of Government or of the local municipality.

3. The Board further consider that, in regard to the proposed extension for the Kolar town, at least as much money should be set apart for building houses for the poor as that recommended for providing quarters for Government Officers.

T. V. ARUMUGAM,
President, Central Sanitary Board.
